Subject: RE: Willamette Cove Outreach
Date: 09/28/2012 01:02 PM

Hi everyone,

I just talked with Katy Weil who said that she (and possibly Ken), will not have a chance to meet until the week of October 22nd. I would also like to extend the invitation to Dwight Leisle (Port of Portland) and Chip Humphrey (EPA) for an initial discussion on outreach in general at the Cove.

This is an informal opportunity for us at OHA to understand where things currently stand with outreach efforts, what has already been in motion for quite some time, and to see if we can lend support and add value to the ongoing work at Willamette Cove. We would really appreciate the chance to connect face-to-face with you all and clarify ways we can collaborate. We can also explain how our program - the Environmental Health Assessment Program (EHAP) - typically works, the kinds of activities we engage in, and how we have collaborated with partners in the past. It would be helpful for us to get clarity on next steps for site characterization and the timeline for future work at the Cove, and introduce Cassie Cohen from Groundwork Portland, who is spearheading the Portland Harbor Community Coalition:

<http://www.groundworkportland.org/our-portland/portland-harbor-community-coalition/>

We are now looking at these times:

- Tuesday the 23rd between noon and 3:30
- Wednesday the 24th between 1 and 3:30
- Friday the 26th anytime.

Please let me know your availability and I will reserve a room here at PSOB.

Thanks for your time,

- Karen

Hi there,

I'm hoping that we can begin discussions about Willamette Cove outreach next week, and thought it would be good to start with a smaller group discussion about some of the key issues and concerns. Would any of these times work for you?

- Tuesday (Oct 2nd) from 2-3
- Wednesday (3rd) from 11-12
- Friday (5th) anytime

If none of the above times will work, let me know and we can look for more.

I'd like to start talking about/identifying:

Other stakeholders/interested parties

Current issues with the site

Plans for redevelopment

Next steps in the assessment process and community outreach

Agency roles

Timelines

Other?

Please let me know and I can reserve a room for us at my building (the Portland State Office Building - 800 NE Oregon St.).

Regards,
Karen
